**STATUS REQUEST**

Sir:

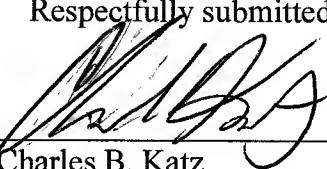

A U.S. national stage submission under 35 U.S.C. §371 in connection with the above-referenced PCT international patent application was mailed to the United States Patent Office via Express Mail on the filing date indicated above. While we did receive a postcard stamped with the above-referenced serial number acknowledging the Office's receipt of the submission, we have not received a filing receipt or any other communication to date in connection with this application. Applicant respectfully request to be informed of the current status of the application.

Dated: 30 June 2008
